MEMORADUM FOR: The DCI
FROM: , Dave Gries
SUBJECT: Weekly Report.

STAT

Continuing Interest in the C123: Senators Bradley and Nunn of SSCI have apparently requested a staff investigation of the downing of the C123 aircraft in Nicaragua. They accept our contention that CIA was not involved, but want the staff to probe whether the NSC, State or the White House played a guiding or controlling role in activities of the private benefactors who presumably leased the C123. Fortunately, Chairman Durenberger does not believe a staff investigation is necessary. We have encouraged the staff to pursue measures short of an investigation, such as writing letters or sending us a list of questions.
